**Tap to Give: Chamber Offers Contactless Donation Tool to Support Local Non-Profits**

**Revelstoke, BC** – The Revelstoke Chamber of Commerce is excited to announce that its tiptap donation machine is now available for non-profit members to borrow for fundraising events. This easy-to-use, contactless tool provides a simple way for event participants to donate with just a tap, helping organizations maximize their fundraising potential.

Donations can be made in increments of \$5, \$10, or \$20, making giving quick and convenient. The tiptap unit is a sleek, stand-up floor model featuring bold “Tap to Give” branding, ensuring visibility and engagement at any event.

Non-profits can easily request the machine through the Chamber’s website. For borrowing guidelines and forms, visit: [Give Stoke — Revelstoke Chamber of Commerce](#)

*“This program is about supporting our Chamber non-profit members with tools that make fundraising easier and more effective,”* said Caroline Lachapelle, CEO of the Revelstoke Chamber of Commerce. *“We’re thrilled to offer a solution that combines technology with community generosity through our ‘Give Stoke’ program.”*
